OF TRADE, TOURISM, AND TELECOMMUNICATIONS
11000 Belgrade, Nemanjina 22-26**

is making
CALL FOR BIDS SUBMISSION
in the open public procurement procedure
**“Procurement of information and communication infrastructure for
educational institutions (by lots)”**

Lot 1- Improvement of transport network on AMRES spine

Lot 2-Construction of wireless local computer networks in schools

Public Procurement Number JH O-13/2018

1. Ministry of Trade, Tourism, and Telecommunications, Nemanjina 22-26, Belgrade, www.mtt.gov.rs, a state administration body, is inviting all interested entities to submit their bids under the requirements from the tender documentation for public procurement.

Subject of the public procurement is – Procurement of the information and communication infrastructure for educational institutions (by lots).

The procurement is organised in lots.

Lot 1- Improvement of transport network on AMRES spine

Lot 2- Construction of wireless local computer networks in schools

Name and index from the general procurement glossary for Lot 1:

30230000 – computer equipment

32522000 – telecommunication equipment

32524000 – telecommunication systems

32570000 – communication equipment

Name and index from the general procurement glossary for Lot 2:

32524000 – Telecommunication systems

32400000 – Networks

45315600 – Works on low voltage installations

Subject of the public procurement is the service and is in more details defined in the tender documentation.

2. Criteria for selection and granting the contract for Lot 1:

Criteria for granting the contract are economically most advantageous bid.

Weighting:

Minimal price – maximum 70 weights (Ap)

Methodology for weight award:

Number of weights – Ap is calculated by the following formula:

$$A_p = \frac{\text{Minimal price offered by a bidder} \times \text{maximal number of weights (70)}}{\text{Offered price from the bid of the bidder evaluated and ranked}}$$

If the bid meets the optional requirements from chapter 4 of technical specifications:

(4.1) Offered equipment on locations Belgrade IF, Kragujevac, Niš, Sofia should have the ability of flexible switch of client FE/GE/STM-1/STM-4/STM-16/STM-64/10GE LAN/10GE WAN and FC100/200/400/800/1200/ESCON/40GE services in one wave length of capacity 100G directly, without cascade connection of transponder. – 5 weights

(4.2) Offered devices on every location contain universal client service card (any service card) which at the same time supports the flow from 10Gbit/s for access STM64, 10GE WAN, 10GE LAN, FC800/1200, OTU2, signals. Bidder shall be obliged to offer the relevant universal client service card in its bid – 5 weights

(4.3) Offered devices on every location contain OSA (Optical Spectral Analyser) unit (card) for monitoring the wavelength – 10 weights

(4.4) Offered monitoring and management system supports the future upgrade for managing Microwave, GPON and xDSL systems. – 10 weights.

Note: Contract shall be granted to the bidder reaching the largest number of weights by adding the weights achieved based on the elements of the criterion of the minimal offered price (Ap) and the number of weights achieved depending on whether the offered solution meets the requirements of the items above (4.1), (4.2), (4.3) and (4.4). Formula $Ap + (4.1) + (4.2) + (4.3) + (4.4)$

If two or more bidders reach the same number of weights in the manner defined in the tender documentation the Contracting Party shall conduct drawing of lots, in line with Article 84 of the PPL, drawing the names of selected bidder from a box.

3. Criteria for selection and granting of contract for Lot 2:

Selection of the most advantageous bid will be based on the criterion of the “**minimal offered price**”.

If two or more bidders reach the same total offered price the Contracting Party shall conduct drawing of lots, in line with Article 84, paragraph 4 of the PPL, drawing the names of selected bidder from a box.

4. Manner of taking over the tender documentation:

For Lot 1 and Lot 2 special Tender documentation has been designed which are available on the internet address of the Ministry of Trade, Tourism, and Telecommunications: www.mtt.gov.rs and Portal of Public Procurements <http://portal.ujn.gov.rs/>
